Samantha Thorpe Wealth Management is an Appointed Representative of and represents only St. James's Place Wealth Management plc (which is authorised and regulated by the Financial Conduct Authority) for the purpose of advising solely on the Group's wealth management products and services, more details of which are set out on the Group's website www.sjp.co.uk/products. The 'St. James's Place Partnership' and the titles 'Partner' and 'Partner Practice' are marketing terms used to describe St. James's Place representatives.

Foreword By: Darren Martin

Club Captain 2025

I am proud to be 2025's Club Captain of Wheathill and of what I believe to be the World's friendliest golf club. In 2013 I was deployed to Afghanistan and even though I had only played 3 or 4 times a year, I found myself missing it. So, on my return I took advantage of the Wheathill gateway scheme and joined. But who would I play with? The Pro took me to the putting green where two gentlemen were ready to tee off asked them if I could join them. They were happy to let me join them and I introduced myself as Daz which triggered 3 hours of washing powder jokes from one and the other, after listening to a lot of these jokes, turned off his hearing aid. I was made to feel welcome at all the roll ups and started to make good friends in the process. My aim during my captaincy is to be the voice of the members and promote our friendly club.

Be Kind and happy golfing.

Daz Martin
Club Captain 2025

Lady Captain 2025

Fiona Cruse

When I joined Wheathill in late 2016, little did I know where this would lead. Everyone I met at the club were so friendly. I found help and advice were willingly given by all. I very quickly settled in, found my footing and new friends and gradually became part of the Wheathill community, entering golf competitions and social events, and also joining the ladies' committee. I became treasurer and then handicap secretary. These roles gave me good background knowledge for what was to come.

I was honoured to be asked to become the Ladies' Vice Captain, a role which I have undertaken to the best of my ability and has I hope, given me the necessary skills to be the Lady Captain for 2025.

My undertaking this year will be to do my utmost to look after all the ladies and girls at this club, no matter where they are in their golf journey and to represent their views and needs as and when necessary.

According to statistics, 1 in 2 of us will develop cancer during our lifetime and many of you as I do will already know of those who are living with it. So I have chosen Cancer Research UK to be my charity for 2025.

Fiona Cruse Lady Captain 2025

Seniors' Captain 2025 - Mal Green

When I moved to Somerset, I decided to start playing golf again, after a 20-year + lapse. It was the best decision I made. Also to join Wheathill golf club, the friendliest golf club in Somerset. I have made some good friends. I am pleased to see that we have had an influx of new members. I am honoured to be this year's Senior's captain. Thank you, Jim, for giving me the opportunity to be your Vice Captain last year. I hope that I can encourage new and established members to play for the seniors' team and in the friendlies. I is great to play other clubs as well as host them at this very enjoyable club. But above all enjoy your golf and your club. Wishing you all a Happy and Healthy New Year.

Junior Captain 2025 – Lucy Sleeth-Stevens

I hope to encourage our junior members to obtain their official handicaps and enter more competitions. I hope to welcome more junior members to the club. I would like to address the imbalance of the number of girls that feel confident in golf and help aid them into growing as young golfers.

ETIQUETTE

The rules of golf are well documented and precise; however, there are “unwritten rules” which govern behavior on the course. These are designed to increase the enjoyment of all and are based on courtesy and consideration for others on the course.

Be ready to play at your starting time. Announce which ball you are playing.

Do not damage the tee with practice swings. Watch the balls in flight to avoid wasting time in searching.

Do not drive when players are chipping or putting on an adjacent green.

Do not “cut in” unless there is a full hole behind.

If you feel that your group is losing ground, tell the other players in your group and try and catch up. You should be **behind the group in front not in front of the group behind.** Let faster groups through.

Replace divots, repair pitch marks, rake bunkers.

Remember that conversation and sudden noise are distracting. Avoid disturbing others that are playing their shots.

REMINDERS TO MEMBERS

A full version of the Rules of Golf can be viewed by downloading the R&A golf app.

All Medal and Stableford competitions are qualifying events unless noted in the diary or deemed non-qualifying by the committee due to prevailing conditions.

No hats or headgear to be worn in the clubhouse. Or shoes that have been worn on the course
Members are asked to comply with the dress code and draw the dress code to the attention of their guests.

We appreciate the use of mobile phones is sometimes unavoidable, however please give due consideration to other members and players and turn them off on the course and in the clubhouse.

Members of the public using the footpaths that run along the 3rd and 17th holes and straight down the practice field have right of way.

County cards allowing discounted golf are available to club members via the IG County App or the Pro-shop.

Members bringing guests to use the Practice Ground, Academy Course or Main Course must report to the Pro-shop before play commences.

Wheathill Golf Club is a "Ready Golf" course

Pace of Play

You can all help to speed up play by adopting "Ready Golf" in all games other than match play

On the tee

No "Honor" – the first player on the tee plays first

From tee to green

All golfers should go to their own ball.

When you reach your ball, and the course is clear Play!
(Even if you're playing partners have not reached their ball)

When waiting to play, decide on your shot, select your club, and be ready to play when it is your turn.

Lost Ball

If there is a chance your ball may be lost, play a provisional just in case.

Players should help to look for a lost ball, only after they have found and played their own ball. If the ball is not found within **3 minutes**, it is considered lost. If the ball is not immediately found, and if the hole ahead is clear, allow those behind you to play through.

On the green

Leave bags, buggies & trolleys on the exit side of the green
Survey your shot whilst others are putting, so that you are ready to putt when it is your turn. First player to have holed out picks up the flag.

In Stableford or Par competitions. It is recommended that you pick up when either zero points or a loss of hole has been recorded on a hole.

MARK YOUR CARDS AFTER LEAVING THE GREEN

One of your group should tee off whilst the others are marking their cards.

Adopt these principles, and the game will speed up and be more enjoyable.

All Casual golf is to be played from the yellow tees.

Whites are for Competition Use Only.

Winter Rules – Preferred Lies – Lift, Clean and Place

It's a **local rule** only and is also known as '**Winter Rules**'. It's only in effect if you're **informed upon arrival** at the golf course.

'**Preferred lies**' mean a golfer can lift up the ball (if he or she wants to) that is landed on a closely mown area and move it to a position (placed not dropped) within six inches (the length of a score card) in any direction, but not nearer the hole.

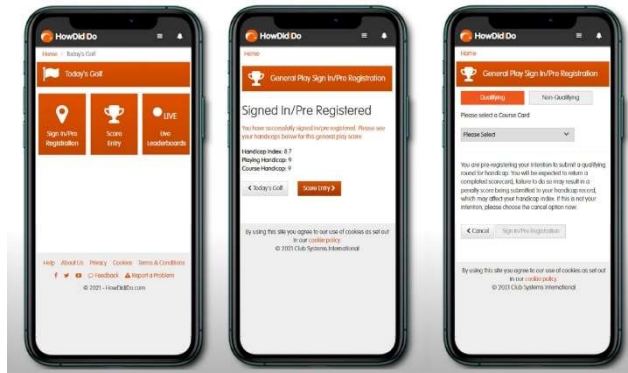

In a preferred lies situation, you should **always mark** your ball first (with a tee, ball marker or pitch repairer) otherwise you may be playing the ball from the wrong position and incur a penalty. A closely mown area is any area of the course that is cut to **fairway** height or less and includes **paths cut through the rough** and the **fringe/apron** around the green.

Qualifiers for Silverware

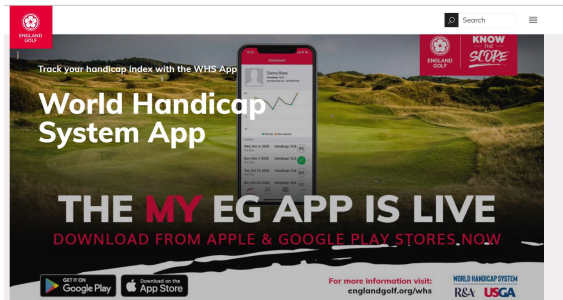

To participate in silverware competitions a requirement for the 2024/2025 season is 10 cards on a 12 month rolling basis. Of which five must include medals or stablefords.
