9. Management Report.

The Greens had been vertidraind and sprayed with fungicide, this will aerate them and protect against disease.

Trees have been trimmed back and thinned out,

We are between grass tees and mats, buggies and winter conditions. Ropes and loops are being shuffled, Cutting continues when conditions allow, the new practice net has arrived but will not be fitted till the spring. Temporary greens will be prepped asap,

Our popular Winter Carvery`s are scheduled in. Please see the Clubhouse for details.

The Environment agency had been contacted, with regard to the recent flooding of the river, unfortunately, with all the cutbacks, there is no money for dredging except where housing is involved, Hence the results of this are easily seen.

10.Ladies Section Report

My Lady Captain's Day, (Pink Ladies) was a great success. I really enjoyed it. My thanks to Jude and Marion, Sylvia's husband & my husband for doing our refreshments and Roy and Sean especially (didn't they look great) for starting us and Fiona for all the organisation and making the day so much fun!

The High tea by Vicky was superb! She really entered into the spirit of the day.

Good to see so many New Ladies form WoP joining and Ginny (a newbie), guessing where my drive would end up. Even I had no idea!

Very good news from Somerset Ladies County Golf Association, we have the WoP grant £600.00 for another year.

11.Seniors Section Report.

MG reported

20 Friendly matches played, with 8 won, 10 lost, 1 draw and 1 to be played shortly. Thanks to Andy McDougall all matches with the exception of the Ivor Lewis have been organised for next year. Yeovil have decided to withdraw.

The incoming Captain made a plea against the usual infringements, slow play, not repairing pitch marks and removal of the ball from cups, we all hope his new position of power can help in these matters.
