The course has coped well with the amount of rain and only takes a couple days to recover. Unfortunately this wet warm winter has meant the grass has kept growing. Simon, in some cases, has had no choice but to try and cut certain areas where possible.

We have purchased a new PSI Touching Screen Unit, which will be installed at the end of January. This is purpose built for the job, it should be a lot more reliable and user friendly. We will report on it's capabilities after training.

The New Years Texas Scramble was a huge success with a full field and the Shot Gun start seemed very popular. Well done Darren for organising it and congratulations to Dave Watson, Tim Bussell, Tony Tucker and Terry Petherbridge, the winning team.

If you are a Senior with a handicap of 20 or better and are interested in playing competitive Club matches in a fun friendly format followed by a meal after, please contact Mike Low on 07962 103478 or mikelow@btopenworld.com for more information. He will be organising a couple get together/ trial sessions in March.

The Pro Shop Stableford will be changing format this year, the Pro shop Stableford weeks printed in the diary will be 9 Hole Stablefords. We will be introducing a Pro Shop Stableford month long competition (excluding Competition Days). This will be the chance to enter everyday of the week to obtain as many qualifiers as you like. More information will follow once it has all been finalised by the Pro Shop.
