- 25th– Ladies Stableford
- 26th– Stirrers Scramble
- 28th– Seniors Stableford
- 31st– Newton Trophy

The course has received its much needed rain! Simon has been busy attacking the infestation of clover which should abate very soon. Currently the front 9 has been sprayed, the back will follow next week. The course is playing tough at the moment and the rough will be cut back once the Club Championship has been played.

The course will be going through lots of changes with regards to the set up and look. Simon wants to bring lots of ideas to the Club, so it will be a case of trial and error until he gets the perfect match.

The Seniors have been competing in their Championship over two Fridays, the first round took place in persistent rain. Congratulations to Chris Hyldon for becoming Senior Club Champion, also to Tony Tucker who became Senior Nett Champion.

The Men will be competing next in their Club Championship over 29th and 30th June. Good luck to all those who are playing in it!

Congratulations to Jan Street & Greta Hillier for winning the Ladies Ping 4BBB competition, hopefully they have qualified for either the grand final or plate final which is a national competition.

Entry for Captains Day is up on the competitions board, Shotgun start with a BBQ after, make sure you get your names up!

The Mixed Charity Bowmaker was played yesterday, raising money for Canine Partners. Congratulations to Ann Scott, Matt Garner and Haydon Watts for winning.

Reminder for the Seniors that the entry sheet for the Seniors' Invitation Day is on the noticeboard. This is a chance to introduce golfing friends or family who play elsewhere to the delights of playing at Wheathill. The date 21st August 2019.

There are a couple spaces still left on the Ping demo day, Friday 5th July 1-5pm, if interested please speak to a member of the Pro Shop staff.
