

# NEWSLETTER

MARCH 2022

The course will be prepped for spring as soon as the weather allows. There will be plenty of activity with treatments and cutting in readiness for the coming season.

Ride on buggies will be allowed on a day to day basis for a while, so note the daily course reports.

While winter wheels are not compulsory now, it would help to continue to use them where possible.

The Club Knockout competition lists are up on the notice board, closing date is 19th March, if you haven't entered please make sure you get your name up on the board before the 19th.

We have a Taylormade Demo Day booked for Wednesday 6th April, 14:00-18:00. Also a Callaway Demo Day booked for Thursday 21st April 12:00-16:00. We have spaces available for both so please speak to someone in the Professional Shop to book your space. We will also be looking at getting Ping and Wilson so keep your eyes out for those dates appearing.

We have spaces available for Mothers Day Carvery on Sunday 27th March, 2 course Carvery & Coffee for £18.95. Please speak to the Clubhouse staff to book your table.

Coming into the new season, don't forget that with your members discount, our equipment is less money than American Golf. We will also make sure you purchase the correct clubs for your game!

Please find attached a poster from our sponsor Husqvarna with a special offer for any members looking to purchase a robotic mower.

With the busy golf season fast approaching we would just like to remind all members of the correct dress code, we feel we are one of the more relaxed clubs, however we do still have basic attire that we expect members to wear and any guests you bring. Full details can be found on our Website.

Once we are back on grass tees you will be able to enter casual rounds again via the England golf app or by our the touch screen computer. We encourage all members to enter every 18 hole card they complete as this will give you the most accurate handicap.

Lets hope for some early spring weather and we look forward to seeing you on the course soon.
