Foreword By: Sean Woodward

Club Captain 2024

 Sean Woodward  
Club Captain 2024

Firstly, may I offer you all a very warm welcome to Wheathill Golf Club for 2024.

As many before me will no doubt have stated themselves, it is with much pride and pleasure that I introduce myself as your Club Captain. This is a position I consider an honor and a privilege to hold.

Wheathill Golf Club, has from its inception, always been considered one of the friendliest golf clubs in this area and is renowned for its warm welcome towards its members, visitors and guests. This primarily influenced me to join the club many years ago and is something I am passionate about promoting.

I am dedicated to helping the club continue to grow and develop and move forward to ensure that you all enjoy the best golfing Wheathill can offer.

I believe it's especially important to encourage and support new members and particularly the juniors as they will be our future enthusiast.

We are incredibly lucky to have Andrew and his exceptionally dedicated team of staff and committee members who work tirelessly to ensure your time at Wheathill, both on the course or in the clubhouse is as pleasant as possible (Vicky's cakes are especially tempting!).

I would like to thank Gerry Morgan for giving me the opportunity to be his Vice Captain during 2023 and Darren Martin for accepting to be my Vice Captain for the year ahead.

Sean Woodward  
Club Captain

# Ladies' Captain 2024

## Anne Scott

Anne Scott  
Ladies' Captain 2024

I moved down to this area of Somerset from Bath in 2015.

I found the Ladies' at Wheathill so friendly and welcoming. I could not have made a better choice.

I feel honoured to be asked to be Lady Captain of such a lively, outgoing group of ladies. Their commitment and support in all areas of golf and the club itself, including the Ladies Section, are fantastic.

We have a great course that improves year after year due to the dedication of the green staff and management.

Indeed, everyone from the Club House staff, Pro-shop staff make Wheathill what it is, a friendly, welcoming club!

My chosen charity this year is Porphyria, a condition that affects the skin and nervous system

Anne Scott

## Seniors' Captain 2024 – Jim Williams

Jim Williams  
Seniors' Captain 2024

Wishing all members a Happy New Year!

I trust we are all looking forward to a great year of Golf!! At the "Friendliest club in Somerset" in my opinion and many others. Although I've only been a member a few years. I have been playing at Wheathill since 1996. Mainly Tuesdays and Thursdays at a reduced rate (Thanks Andrew).

Honoured to be seniors' Captain will do my best to follow Ian's great example.

## Junior Captain 2024 – Elizabeth England

Elizabeth England  
Junior Captain 2024

This coming year I hope to encourage some of our new girls into matches as well as some of the new boys. I want to help the section get a little stronger and have some larger entries into competitions.

## ETIQUETTE

The rules of golf are well documented and precise; however, there are “unwritten rules” which govern behavior on the course. These are designed to increase the enjoyment of all and are based on courtesy and consideration for others on the course.

Be ready to play at your starting time. Announce which ball you are playing.

Do not damage the tee with practice swings. Watch the balls in flight to avoid wasting time in searching.

Do not drive when players are chipping or putting on an adjacent green.

Do not “cut in” unless there is a full hole behind.

If you feel that your group is losing ground, tell the other players in your group and try and catch up. You should be **behind the group in front not in front of the group behind.** Let faster groups through.

Replace divots, repair pitch marks, rake bunkers.

Remember that conversation and sudden noise are distracting. Avoid disturbing others that are playing their shots.

## **REMINDERS TO MEMBERS**

**A full version of the Rules of Golf can be viewed by downloading the R&A golf app.**

All Medal and Stableford competitions are qualifying events unless noted in the diary or deemed non-qualifying by the committee due to prevailing conditions.

No hats or headgear to be worn in the clubhouse.

Members are asked to comply with the dress code and draw the dress code to the attention of their guests.

We appreciate the use of mobile phones is sometimes unavoidable, however please give due consideration to other members and players and turn them off on the course and in the clubhouse.

Members of the public using the footpaths that run along the 3<sup>rd</sup> and 17<sup>th</sup> holes and straight down the practice field have right of way.

County cards allowing discounted golf are available to club members via the IG County App or the Pro-shop.

Members bringing guests to use the Practice Ground, Academy Course or Main Course must report to the Pro-shop before play commences.

## Wheathill Golf Club is a “Ready Golf” course

### **Pace of Play**

You can all help to speed up play by adopting “Ready Golf” in all games other than match play

### **On the tee**

No “Honor” – the first player on the tee plays first

### **From tee to green**

All golfers should go to their own ball.

When you reach your ball, and the course is clear .... Play!  
(Even if you’re playing partners have not reached their ball)

When waiting to play, decide on your shot, select your club, and be ready to play when it is your turn.

### **Lost Ball**

If there is a chance your ball may be lost, play a provisional just in case.

Players should help to look for a lost ball, only after they have found and played their own ball. If the ball is not found within **3 minutes**, it is considered lost. If the ball is not immediately found, and if the hole ahead is clear, allow those behind you to play through.

### **On the green**

Leave bags, buggies & trolleys on the exit side of the green  
Survey your shot whilst others are putting, so that you are ready to putt when it is your turn. First player to have holed out picks up the flag.

In Stableford or Par competitions. It is recommended that you pick up when either zero points or a loss of hole has been recorded on a hole.

## **MARK YOUR CARDS AFTER LEAVING THE GREEN**

One of your group should tee off whilst the others are marking their cards.

Adopt these principles, and the game will speed up and be more enjoyable.

All Casual golf is to be played from the yellow tees.  
Whites are for Competition Use Only.

### **Winter Rules – Preferred Lies – Lift, Clean and Place**

It's a **local rule** only and is also known as '**Winter Rules**'. It's only in effect if you're **informed upon arrival** at the golf course.

'**Preferred lies**' mean a golfer can lift up the ball (if he or she wants to) that is landed on a closely mown area and move it to a position (placed not dropped) within six inches (the length of a score card) in any direction, but not nearer the hole.

In a preferred lies situation, you should **always mark** your ball first (with a tee, ball marker or pitch reparer) otherwise you may be playing the ball from the wrong position and incur a penalty. A closely mown area is any area of the course that is cut to **fairway** height or less and includes **paths cut through the rough** and the **fringe/apron** around the green.

### **Qualifiers**

To participate in silverware competitions a requirement for the 2023/2024 season is 10 cards on a 12 month rolling basis.

For the 2024/2025 season the same except five of the cards must include either medals or stablefords.
