Xmas Comp

14th– Air Ambulance
Day

25th– Course Closed

29th– New Years Scram-
ble

The Golf course has recovered well from the renovations and has been in play almost continuously through early winter. We will endeavour to keep buggies and ride ons going for as long as we can and currently is on a day to day basis, so please check the course reports or telephone the Pro Shop if in doubt. The course improvement projects will be commencing as soon as conditions allow, we have also added to the plan, restructuring to the 11th tee.

Simon has asked that when approaching the Greens that you keep your bag as far away from the approaches and fringes as possible, by doing this it will help protect them without the need for ropes to be put in some places.

A big thank you to Mike Strobe for organising the Club Fund Raising Day, despite the weather the day was a huge success and played in good spirit. The total amount raised was £810 which will be used for all weather benches that can be left out during the winter. The winning team on the day was Dave Kerswell, Clive Fowler, Brian Glen and Emlyn Beal.

The Christmas Carvery's are now available to book in the Clubhouse, or give them a call.

This is a great time to plan your Xmas presents, giving and receiving!! So come and have a chat in the Professional Shop.

Book a 30 minute Skytrak session with a Professional tailored to your game for only £10, speak to one of the Pro Shop team to find out more.

A polite reminder to members that when playing with a guest/visitor, it is the responsibility of the member to ensure that the Green Fee is paid before play (unless prior arrangement with Professional Shop) and the guest has the correct attire and equipment.

Urgent note for diary, we will be showing the World Cup Final in the Clubhouse where the bar & kitchen will be open from 8:30am for breakfast baps etc!
