AOB

The possibility of purchasing a small PA system was discussed, however SW may be donating one

Action SW

The possibility of an order of Merit was discussed, but with the Lydford Cup, Race to Woodhall Spa and the new Ian Barrett trophy these would compensate for this.

Action Closed

There still seems to be a difference between our records of monies available and the official MCM account, approx. £200. AF to again clarify with DG,

30 year Anniversary Mementos, An engraved Tankard was shown to all the cost of which is £8. The original suggestion was for all male Competition winners to receive one, GM has discussed this with Ian Barrett, Dave Gregory. Rob Hardy and the ladies Captain and all are supportive. Around 60 may be needed, costs to be covered by General fund 50% and each of the Mens and Seniors sections to cover the remaining. Ladies investigating a similar idea.

Action GM

Time constraints precluded a discussion and presentation by AF on the handicap meetings he had been involved in. There is however a handicap committee and a line of communication through the MCM.

30 year Anniversary and Coronation Event, whilst appreciating the difficulties being experienced by the prostaff, there is very little time to the projected date of this event
