**.Action closed**

**Lintern,11<sup>th</sup> June**, Winners D. Kerswell and B. Glenn. A complaint was received from I. Fraser regarding the handicap allowance. This was discussed by the committee who take the view that competitions under the control of the committee must obey the latest rules and guidelines set by the R & A and English golf. These allowance rules as well as the completely new methods of handicapping have changed since 2020. There are also complications with computer inputs.

**Action closed**

**Club Championship. As it's 30th Anniversary**, could we try and do something special for the most prestigious competition in the club. GM had approached the management regarding provision of food for the second day. A burger/hotdog will be provided at £6.50. Some of the committee had expressed a wish for this to be subsidised by the men's section. GM had circulated a proposed prize listing, but this was now felt to be too much. Daily round prizes will not now be paid and only the total gross and net positions will receive prizemoney. It was discussed that past competitions had provided a stock of winners mementos and GM was instructed to enquire from the former Comp committee Chairman, D, Martin. A proposal for a new split and lower subsidy was requested from the Capt
