Handicaps, and Competition entries. The committee discussed various entry criteria, but would suggest staying at 10 **COMPLETED** qualifiers. However the MCM have over-ruled this, We now have to advise entrants for competitions in 2025 that a minimum number of 5 the 10 qualifiers must be off white tees, gained in official competitions of medals and stablefords.

Action AF

JSB requested the committee members review the current handbook, with a view to publishing it on the website or in hard copy. She has circulated the script to committee members.
