Matters Arising

Men's Open DM has produced flyers, internal notices however Golfempire website needs amending as the price and payment details were not originally submitted. It may mean submitting a new entry and allowing Golfempire to cancel the existing advert. This is now an urgent matter. Additionally SW has promised to print copies of the poster for distributing at local clubs when visited by committee members in matches, society days etc. **Action DM/SW**

Accounts, now resolved, but kept on monthly agenda, last accounts stated £568 with an additional £124 available for seat refurbishment, Expenses of approx. £120 for the pro/captain challenge and entry fee for Mens Road to Woodhall spa expected

Monthly medal, review

Medal week and stableford day for March were entered in the diary and loaded to the ClubV!, However with no prospect of the white tees being available the committee decided to delay these until April. The proshop later informed the meeting that they were willing to help with non qualifying events and we should note that for next year. The weather eventually won all these arguments due to rain, Aprils dates are loaded to Club V1 **Action PW**

Post meeting note, The bad weather continued and no medal events were held in April. **One member had criticised the entry fee of £4.50 plus two's of £1-50. A decision is needed before the May events.** **Action All**
