Men's Open Golfempire has been updated to show the costs (£30 and £22 members). However it does not immediately show the value being offered, without further delving into the links. A push to make this a memorable event is needed by all

Accounts, now resolved, but kept on monthly agenda, last accounts stated £529 with an additional £124 available for seat refurbishment,

Monthly medal, DM will be taking over the results and finance elements of the medals and stablefords, 38 had entered the July medal. Well above average but well below May's numbers, It was felt that an email advertising the event was beneficial and PW was asked to repeat this process.
