Matters Arising

Men's Open Successfully held with 64 entrants, thanks to DM for his hard work. A small profit of £69 was achieved. Lessons learned, earlier publication of teetimes, more advertising. The use of the boards in the men's loo would be ideal, **Action Closed**

Accounts, presently showing a loss of around £200 on the season, projected to be less than £50 by end of October. This is again a difference from DG accounts. **Action ongoing**

Monthly medal, GM took over the results and finance elements of the medals and stablefords around 70 entries for September, He had also produced league tables for the OOM and the Lydford Trophy in an effort to generate continuing interest, GM requested a consolidated weekly medal not individual day events, PW now knows how to do this courtesy of AF's crib sheet, **Action AF**

Handicaps, GS has secured enough members to form a handicap committee. **Action Closed**
