## LOCAL RULES

### 6. Roads, Pathways and Tracks

Except where specifically noted as being Out Of Bounds (see Rule 1) all Roads, Tracks and pathways shall be treated as GUR and relief taken accordingly (nearest point of relief, no nearer the hole)

### 7. Bridges and Grass crossings

Stone and wooden bridges are a part of the Hazard they cross; a ball lying on such shall be treated as being in the hazard. Grass areas between crossing over hazards are an integral part of the course.

### 8. Winter Greens

When main greens are in play, all winter Greens shall be treated as GUR and relief MUST be taken. The converse is also true – if temporary greens are in play, the main green shall be treated as GUR and relief MUST be taken.

### 9. Embedded Ball

Through the green, a ball that is embedded in its own pitch-mark in the ground may be lifted without penalty, cleaned and dropped as near as possible to where it lay but not nearer the hole. The ball when dropped must first strike a part of the course through the green.

However, if during a stipulated round, a player uses a distance measuring device that is designed to gauge or measure other conditions that might affect his play (e.g. gradient, wind-speed, temperature etc.) the player is in breach of rule 14-3, for which the penalty is disqualification, regardless of whether any such additional functions are actually used.

**Penalty for Breach of Local Rules** – Match Play – loss of hole;
